

2011-2012 Power of 3 Campaign

in support of the

Southridge Choir Program

The Southridge Choir Program is strong. It serves over 200 students in 5 choirs. We seek your donation to further the choir program. Your dollars support transportation to and from events. Your donations also pay for guest clinicians and festival fees, purchase music and additional risers for the choir. Help our program continue to provide opportunities for our students to pursue excellence and experience the joy of making music in an accepting and safe community.

100% of your donation goes to the program. No middle-man or cut goes to another business. **Your donation is 100% tax deductible.**

Your name or business will be listed in our concert program throughout the year and on our website "southridgechoirs.org."
